CORVAIRS RULE AT CRAWFORD MUSEUM CRUISE-IN

The Crawford Museum is having a Corvair display running until September 1.

But, the Crawford Museum was the place to be with a Corvair on June 27.

The museum was host to a cruise-in for all 60's cars, but was hoping for lots of Corvairs to attend, as the Corvair is their current focal point.

F.O.C. stepped up to the challenge, with 12 of the 29 Corvairs in attendance! This was a fantastic representation of our club.

Thanks to each of you that braved the 'big city' to promote FOC and Corvairs. These awesome photos are courtesy of Gary DeMoss and Bill Richards.

Thank you both for capturing this event for those that couldn't be there.

ANNUAL FOC TRIP TO DETROIT AREA CORVAIR CLUB HOMECOMING

Information submitted by Gary DeMoss
Photos submitted by Gary DeMoss and Bill Richards

Dave Carter with his beautiful convertible

Elaine, Becky, Bob and Trish enjoying a little down time.

Each year FOC members make the trek to participate in the DACC Homecoming held in Ann Arbor, MI.

One of the weekend events that FOC teams participate in (and usually place) is the road rally.

Third place went to Team DeMoss, consisting of Gary and Becky DeMoss and Elaine Harkless.

FOC Corvairs

This year there were nine FOC Corvairs that made the trip. Seven of those cars were selected to appear in the 2025 calendar that Detroit Area Corvair Club designs.

Team Casper!

The streak remains, as Team Casper (Ryan and his son, Jonah) placed second in the 90 minute/60 mile course.

I'm sure each FOC member that attends this event would encourage others that hasn't participated in this weekend event, to consider in joining them as they are already reserving the dates for 2025.

Corvairs come in all colors.

So many Corvairs to see.

Looks like Team DeMoss is ready to rally!

And yet another row.

Well, summer is blowing by quickly. I hope everyone is enjoying their cars.

The outing at Gervasi was rained out. So that was a bummer.

The next night at the Crawford Museum was Fantastic! There were 7 very fine Corvairs on display inside the museum and 29 showed up to park in front of the Museum.

Many cars and folks that I have never seen or met. I am trying to get these folks to Join FOC. On that note, it seems that many folks at CORSA do not know that we are the Northern Ohio chapter. I'm thinking we need to somehow incorporate Northern Ohio to our name. I have kind of thought this for years.

I will bring it up for discussion at our next real meeting. See you at the Covered Bridge Tour.

SAVE THE DATE

Houston Morgan has once again extended an invitation to our club to bring our Corvairs and participate in Stow Harvest Festival, September 29 from 10-4. Additional details and information will be published in September Issue.
