

The Spinner

Hello Again ALL Ye Friends:

Another successful monthly event has come and gone as 2018 marches on. Our September event was a Corvair/Miata combined road trip through the Cuyahoga Valley National Park on September 8th. Seven Corvair's and seven Miata's, along with 27 people, started the tour in light rain. With a Miata in the lead and our Gary & Becky DeMoss bringing up the rear, we paraded our cars and several water pumpers through the park. In spite of the rain, we were all able to follow the superb driving directions of the leading Miata drivers. Our Corvair's, convertible tops up and wipers going, enjoyed the Corvair style roads, up, around, down, stopping and going.

Our road tour covered 46 miles and took two hours whereupon we all found ourselves at the Texas Roadhouse in Cuyahoga Falls. Upon arrival at the restaurant we were joined by more of our members bringing our numbers to

a total of 40 people. The Texas Roadhouse provided us with a special room, excellent service and delicious food. Because of the acoustics and volume of other patron's, the noise did not lend itself to having a long meeting. Thus, the Miata people spoke for a short time and then I reminded our club members of the election of officers for next year.

In October and November I will once again ask for volunteers to run for office as I will not be running for president in 2019. We have a great club so let's get good officers to continue our many Friendships and good Corvair stories.

Take care and God bless us all.

Rick

Rick Juenemann,
President

AUTUMN LEAVES

**The autumn leaves are lovely
Gently blowing in the breeze,
But I'd like it better Lord
If you left them on the trees!**

Author: 'Aija' (kathy)
