

# THE SPINNER

**DECEMBER 2023**

## **Seasons Greetings to all!**

We had a nice lunch and meeting at Panera Bread in Brooklyn. 19 members and 6 Corvairs were in attendance. Not a bad turn out of cars for a November meeting.

A big thanks to our hosts Lisa and Chris Kruger for putting this meeting together.

Nominations were made for officers. A ballot is included in this newsletter. Please clip and cast your vote. You can either mail your ballot to Bob Norwalk or bring it to the Christmas party.

A discussion was had about changing things up a little bit and going to a monthly meeting format and planning four to six events throughout the year that would be longer involved Saturday or Sunday events. We will definitely give this more thought at the January planning meeting tentatively scheduled for Jan-

uary 7th at the Canal Grill in Canal Fulton.

If everyone can please put on their thinking caps and think of restaurants with meeting rooms that could host meetings we are looking for suggestions.

On more of a Corvair note, the proper 13" tires 185/80/R13 have become very scarce. Maxxis is the only company making a quality tire right now in a radial. I spoke with a customer service rep a few weeks ago and he says they are still making them and that there is 300 on a container on their way to North Carolina. So, if you are needing tires I would recommend to start searching the internet now. Don't get caught in May with old tires and not be able to find any.

Beware when you are looking, 185/80/13 is a very popular size tire for trailers. If you get these by mistake your car

will not drive well at all.

Hope everyone had a Happy Thanksgiving and I am looking forward to seeing everyone at the Christmas party in December.

Bill Richards  
FOC President

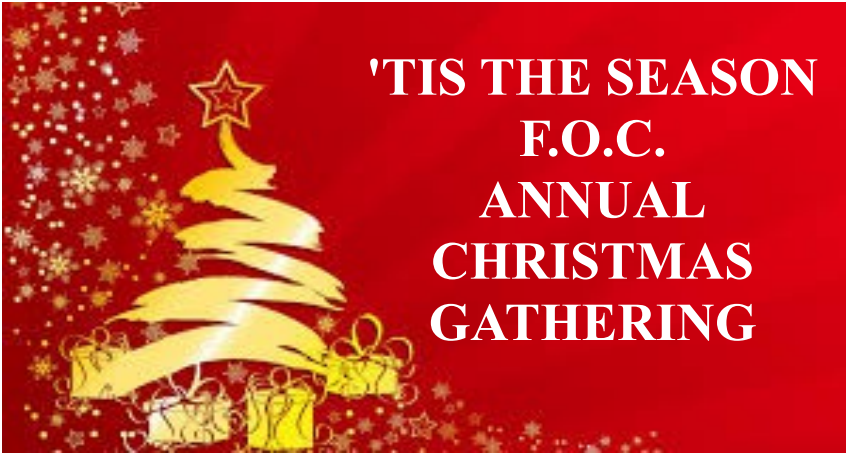

*Merry Christmas.*
